Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

TABLE OF CONTENTS

1.1 Black Hawk College

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

If you have completed or are taking a course that is not listed, please contact us at (312) 915-7989.

Black Hawk College Courses	Equivalent Course at Loyola
CIP 101 Computer Logic and Design	COMP 150 - Introduction to Computing
CIP 104 Intro to Computer Programming	COMP 150 - Introduction to Computing
CIP 167 Scripting for Systems Administration	COMP Elective
CIP 170 Web Page Development	COMP Elective
CIP 170A Web Page Development I - HTML/CSS	COMP Elective
CIP 170B Dreamweaver	COMP Elective
CIP 182 Client-Side Scripting	COMP Elective
CIP 183 Intro to ASP.NET	COMP Elective
CIP 185 XML (eXtensible Markup Lang.)	COMP Elective
CIP 186 Web Design	COMP Elective
CIP 204 Visual Basic Programming	COMP 170 - Introduction to Object-Oriented Programming
CIP 205 Advanced Visual Basic	COMP Elective
CIP 206 AJAX and Web Services	COMP Elective
CIP 211A Intro to Flash	COMP Elective
CIP 211B Flash Programming	COMP Elective
CIP 227 Database Management II	COMP Elective
CIP 228 Web Database Programming	COMP Elective
CIP 250 Java Programming Fundamentals	COMP 170 - Introduction to Object-Oriented Programming
CIP 260 Systems Design and Development	COMP Elective
CIP 270 Field Project	COMP Elective
CIP 280 Intro to Game Programming	COMP Elective
CIP 299 Independent Study	COMP Elective
CS 100 Introduction to Computers	COMP 150 - Introduction to Computing
CS 101 Introduction to Structured Programming	COMP 150 - Introduction to Computing
CS 121 Introduction to Computer Science	COMP 150 - Introduction to Computing

Table 1.1 – continued from previous page

Black Hawk College Courses	Equivalent Course at Loyola
CS 140 Business Computer Systems	COMP Elective
CS 141 Programming for Business with COBOL	COMP Elective
CS 225 Advanced Programming	COMP 271 - Data Structures
CS 242 Computer Architecture	COMP Elective
CS 252 Data Structures	COMP 271 - Data Structures

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

Non-Transferrable
CIP 126 Microsoft Access
CIP 127 Microsoft Outlook
CIP 130 Microsoft Excel
CIP 151 Adv Office Applications w/VBA
CIP 190 Microsoft SharePoint
CIP 201 Microsoft Project
CS 201 Advanced Applications Software
CS 210 Introduction to Educational Computing
CS 251 Programming for Science

1.2 Carl Sandburg College

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

If you have completed or are taking a course that is not listed, please contact us at (312) 915-7989.

Carl Sandburg College Courses	Equivalent Course at Loyola
CIS 115 Internet Literacy	COMP Elective
CIS 128 Fundamentals of Programming	COMP 170 - Introduction to Object-Oriented Programming
CIS 146 Microcomputer Database Applications	COMP Elective
CIS 148 Microcomputer Operating Systems	COMP Elective
CIS 152 Networking Fundamentals	COMP Elective
CIS 160 Introduction to Internetworking	COMP Elective
CIS 161 Introduction to Internetworking Operating System	COMP Elective
CIS 162 Introduction to Local Area Networks	COMP Elective
CIS 163 Introduction to Wide Area Networks	COMP Elective
CIS 180 Windows Network & Operating System Essentials	COMP Elective
CIS 181 Windows Server	COMP Elective
CIS 182 Implementing a Microsoft Windows Network Infrastructure	COMP Elective
CIS 183 Administering Microsoft Windows Directory Services	COMP Elective
CIS 184 Managing a Microsoft Windows Network Environment	COMP Elective
CIS 190 Wireless LANs	COMP Elective
CIS 211 Fundamentals of UNIX	COMP Elective
CIS 232 Visual BASIC Programming	COMP 170 - Introduction to Object-Oriented Programming / COMP 271 - Data Structures
CIS 244 Hardware Installation and Maintenance	COMP Elective
CIS 247 Microcomputer Database Applications	COMP Elective
CIS 272 Microcomputer Internship	COMP Elective
CIS 280 Planning Windows Directory Services Infrastructure	COMP Elective
CIS 281 Administering Microsoft SQL Server	COMP Elective
CIS 282 Designing a Secure Windows Network	COMP Elective
CIT 185 Ethical Hacking & Network Defense	COMP Elective
CIT 186 Security+ Fundamentals	COMP Elective
CIT 212 Linux Networking & Security	COMP Elective
CIT 250 Cisco Firewall Security	COMP Elective

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

Non-Transferrable
CIS 105 Keyboarding & Computer Essentials
CIS 112 Computer Software Applications
CIS 116 Website Support
CIS 122 Computer Information Systems
CIS 124 Foundations of Information Technology
CIS 144 Microcomputer Spreadsheet Applications
CIS 242 Advanced Computer Software Applications
CIS 243 Microcomputer Spreadsheet Applications

1.3 City Colleges of Chicago

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

If you have completed or are taking a course that is not listed, please contact us at (312) 915-7989.

Key
HW: Harold Washington College
TR: Harry S Truman College
KK: Kennedy-King College
MX: Malcom X College
OH: Olive-Harvey College
DA: Richard J. Daley College
WR: Wilbur Wright College

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

City Colleges of Chicago Courses	Equivalent Course at Loyola
CIS 101 Introduction to Computer Information Systems (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 102 Intro To Programming Logic (HW, KK, MX, OH, DA)	COMP Elective
CIS 103 Introduction to Basic Language (HW, TR, KK, MX, OH, DA, WR)	COMP 150 - Introduction to Computi
CIS 111 Computer Operations (TR, KK, DA)	COMP Elective
CIS 112 Advanced Computer Operation (TR, KK)	COMP Elective
CIS 116 Intro to Operating Systems (HW, TR, KK, DA, WR)	COMP Elective
CIS 130 Intro to Assembler Programming (KK)	COMP 150 - Introduction to Computi
CIS 135 Intro to COBOL Programming (TR, KK, MX, DA, WR)	COMP 150 - Introduction to Computi
CIS 142 Introduction to C or C++ Language (HW, TR, KK, MX, OH, DA, WR)	COMP 170 - Introduction to Object-C
CIS 144 JAVA I (HW, TR, KK, MX, OH, DA, WR)	COMP 170 - Introduction to Object-C
CIS 145 Introduction to Database on Microcomputers (HW, TR, KK, MX, OH, DA, WR)	COMP Elective

Table 1.2 – continued from previous page

City Colleges of Chicago Courses	Equivalent Course at Loyola
CIS 158 Beginning Internet (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 171-1 Computer Mathematics (DA)	COMP Elective
CIS 171-2 Computer Mathematics (DA)	COMP Elective
CIS 181 Web Development I (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 182 Web Development II (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 203 Advanced Basic Programming (TR, KK, MX, DA, WR)	COMP 170 - Introduction to Object-C
CIS 235 Advanced COBOL Programming (TR, KK, MX, DA, WR)	COMP Elective
CIS 242 Advanced C or C++ Language (HW, TR, KK, MX, DA)	COMP 271 - Data Structures
CIS 244 JAVA II (HW, TR, KK, MX, OH, DA, WR)	COMP 271 - Data Structures
CIS 250 Introduction to Systems (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 251 Intro to Database Management Systems (TR, KK, OH)	COMP Elective
CIS 255 Intro To Operating Systems (HW, OH)	COMP Elective
CIS 257 Intro to Business Telecommunications (KK, DA)	COMP Elective
CIS 258 Advanced Internet (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 260 Computer Information Systems Field Project (KK, MX, DA)	COMP Elective
CIS 265 Computer Information Systems Internship (KK, OH, DA)	COMP Elective
CIS 280 Computer Graphics (DA)	COMP Elective
CIS 281 Web Development III/Server Side Programming (HW, TR, KK, OH, DA, WR)	COMP Elective
CIS 282 Web Development IV/Web Database Integration (HW, TR, KK, MX, OH, DA, WR)	COMP Elective
CIS 299 Special Topic Comp Info Sys (TR, KK)	COMP Elective
CIS 299-1/2/3 Special Topic Computer Information Systems (TR, KK)	COMP Elective
CIS 888 Computer Information Systems COMP Elective (HW, TR, KK, MX, OH, DA, WR)	COMP Elective

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

Non-Transferrable

CIS 120 Introduction to Microcomputers (HW, TR, KK, MX, OH, DA, WR)
CIS 122 Introduction to Word Processing on Microcomputers (HW, TR, KK, MX, OH, DA, WR)
CIS 123 Intro to Spreadsheets on Microcomputers (HW, TR, KK, MX, OH, DA, WR)

1.4 College of DuPage

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

If you have completed or are taking a course that is not listed, please contact us at (312) 915-7989.

College of DuPage Courses	Equivalent Course at Loyola
CIS 2541 (IAI CS 911) C++ Language Programming	COMP 170 - Introduction to Object-Oriented Programming
CIS 2542 (IAI CS 912) Advanced C++ with Data Structure Applications	COMP 170 - Introduction to Object-Oriented Programming / COMP 271 - Data Structures
CIS 2551 Introduction to MS Visual C++ .NET Programming	COMP Elective
CIS 2552 Object-oriented Program Development with VC++ .NET	COMP Elective
CIS 2561 Introduction to C# .NET	COMP 170 - Introduction to Object-Oriented Programming
CIS 2562 Advanced C# Programming	COMP 170 - Introduction to Object-Oriented Programming / COMP 271 - Data Structures
CIS 2571 Introduction to Java	COMP 170 - Introduction to Object-Oriented Programming
CIS 2572 Collections in Java	COMP 271 - Data Structures
CIS 2573 Advanced Java Technologies	COMP Elective
CIS 2591 Objective C	COMP Elective

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

CIS 999 Garbage Garbage Garbage Garbage

1.5 College of Lake County

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official. While we are reasonably certain that the courses listed for your school are accurate, we are still working to verify the details for every course. We hope to complete this process by January 2014. In the meantime, please contact upd@cs.luc.edu if you have any questions about transferring to Loyola.

If you have completed or are taking a course that is not listed, please contact us at (312) 915-7989.

College of Lake County Courses	Equivalent Course at Loyola
CIT 130 Operating Systems for A+ Certification	COMP Elective
CIT 131 Windows Operating System	COMP Elective
CIT 132 Linux Operating System	COMP Elective
CIT 133 Network Automation	COMP Elective
CIT 134 Introduction to Programming Concepts	COMP 150 - Introduction to Computing
CIT 135 Introduction to Visual Basic Programming	COMP 150 - Introduction to Computing
CIT 137 Object Oriented Programming using Java	COMP 170 - Introduction to Object-Oriented Programming
CIT 138 Introduction to C# Programming	COMP 170 - Introduction to Object-Oriented Programming
CIT 141 Programming in C++	COMP 170 - Introduction to Object-Oriented Programming
CIT 150 Introduction to Local Area Networking	COMP Elective
CIT 151 LAN Administration	COMP Elective
Continued on next page	

Table 1.3 – continued from previous page

College of Lake County Courses	Equivalent Course at Loyola
CIT 152 Network Security Fundamentals	COMP Elective
CIT 155 Introduction to Computer Forensics	COMP Elective
CIT 156 Digital Evidence Recovery	COMP Elective
CIT 157 Enterprise Desktop Support	COMP Elective
CIT 158 Digital Forensic Tools	COMP Elective
CIT 170 Creating Web Pages	COMP Elective
CIT 171 Web Page Scripting	COMP Elective
CIT 172 E-Commerce Implementation and Impact	COMP Elective
CIT 173 PHP Programming	COMP Elective
CIT 175 Game Development & Design Strategies	COMP Elective
CIT 176 2D Game Development	COMP Elective
CIT 177 3D Game Development	COMP Elective
CIT 210 Programming for Office Applications	COMP Elective
CIT 215 Microsoft .NET Web Programming	COMP Elective
CIT 216 Microsoft .NET Framework Programming	COMP Elective
CIT 230 Linux System Administration	COMP Elective
CIT 233 Programming in Visual C++	COMP 170 - Introduction to Object-Oriented Programming
CIT 239 Systems Analysis	COMP Elective
CIT 241 Advanced C++	COMP 271 - Data Structures
CIT 250 Advanced LAN Administration	COMP Elective
CIT 252 Hardening the Infrastructure	COMP Elective
CIT 253 Network Defense and Countermeasures	COMP Elective
CIT 254 Windows Directory Services	COMP Elective
CIT 256 Advanced Digital Evidence Recovery	COMP Elective
CIT 258 Network Forensics	COMP Elective
CIT 259 Topics in Computer Forensics	COMP Elective
CIT 270 Server-Side Programming	COMP Elective
CIT 271 Markup Language Programming	COMP Elective
CIT 275 Mathematics for Game Development	COMP Elective
CIT 276 Game Development Projects	COMP Elective
CIT 277 MS .NET Software Development Capstone	COMP Elective
CIT 295 CIT Internship	COMP Elective
CIT 299 Selected Topics in Computer Information Technology	COMP Elective

Warning: This is a *draft* of the transfer guides for students transferring from another school to Loyola University Chicago. It is (a) not remotely ready and (b) not at all official.
